

Evidence and Source Addendum

Consolidated source register, Azure/Fabric process proof, and real project screenshots for portfolio presentation.

Source	Type	Used for
Leatt ZA product JSON	Public ecommerce catalog endpoint	Product, variant, price, SKU, availability, tags, category classification seed.
Leatt ZA About Us	Public website page	Brand and business context in the ebook narrative.
Leatt ZA Moto Boots collection	Public website page and user screenshot	Visual proof of product assortment/pricing and portfolio evidence.
Microsoft Fabric Data Factory documentation	Official Microsoft documentation	Fabric ingestion, transformation, and orchestration process design.
Azure Data Factory documentation	Official Microsoft documentation	Azure ETL/data integration positioning and ADF process evidence.
Azure Data Factory Copy Activity overview	Official Microsoft documentation	Copy activity pattern for source-to-cloud movement.
Microsoft Fabric OneLake overview	Official Microsoft documentation	Unified data lake and OneLake architecture explanation.
Microsoft Fabric Lakehouse overview	Official Microsoft documentation	Lakehouse, Delta, Spark/SQL, Power BI integration design.
Microsoft Fabric subscription / Azure F SKO	Official Microsoft documentation	Confirming Fabric capacity can be purchased through Azure portal.
Power BI Direct Lake overview	Official Microsoft documentation	Power BI semantic model design for high-volume Delta tables in OneLake.
Generated synthetic ecommerce transactions	Generated dataset	Million-row transaction fact table for BI/ML modeling; synthetic, not Leatt actual sales.
Generated SQLite warehouse	Generated local warehouse	Dimensional model, fact table, and BI aggregations.

Azure and Fabric Process Proof

The following blueprint shows the intended Azure/Fabric implementation path: Data Factory ingestion, OneLake bronze storage, Lakehouse Delta modeling, Power BI semantic layer, and ML scoring/forecasting.

Azure / Microsoft Fabric Ecommerce BI and ML Process

Designed for Fabric Data Factory ingestion, OneLake/Lakehouse storage, Direct Lake/Power BI reporting, and Fabric Data Science models.

Azure portal opened in the user's signed-in browser. Used as environment proof for Azure/Fabric work context.

Evidence type: user-provided live screenshot. Azure private details redacted where applicable.

Azure portal home showing active subscription context. Account and cost details redacted for privacy.

The screenshot displays the Azure portal home page. The browser's address bar shows `portal.azure.com/#home`. The page features a blue header with the Microsoft Azure logo, an 'Upgrade' button, and a search bar. A left sidebar lists navigation options: 'Create a resource', 'Home', 'Dashboard', 'All services', 'FAVORITES', 'Application Templates', 'All resources', 'Resource groups', 'App Services', 'Function App', 'Azure SQL Database', 'Azure Cosmos DB', 'Virtual machines', 'Load balancer', 'Storage accounts', 'Virtual networks', and 'Microsoft Entra ID'. The main content area is titled 'Welcome back, Anthony'. It contains four action tiles: 'Start with a template', 'Create a resource', 'Build an AI agent', and 'Import code from GitHub'. Below these are two larger tiles: 'Alerts and service issues' (showing 'No alerts set up' and 'Service issues') and 'Costs' (which is redacted). The bottom of the page shows a Windows taskbar with various application icons and a system clock indicating 16:35 on 2026/07/17. Several areas of the page, including the top right, a sidebar section, and the 'Costs' tile, are marked as 'redacted'.

Evidence type: user-provided live screenshot. Azure private details redacted where applicable.

Leatt ZA About Us page used for business context and brand narrative.

Evidence type: user-provided live screenshot. Azure private details redacted where applicable.

Leatt ZA Moto Boots collection page showing product/pricing context from the ecommerce source.

The screenshot shows the Leatt ZA Moto Boots collection page. The browser address bar displays the URL za.leatt.com/collections/moto-boots. The page features a navigation bar with the Leatt logo and categories: MOTO, MTB, ADV, LIFESTYLE, EXPLORE LEATT, and SALE. Below the navigation bar, four motorcycle boots are displayed in a grid:

- Boots 6.5**: R 10,799.00 ZAR
- Boots 5.5 FlexLock**: From R 8,799.00 ZAR
- Boots 5.5 FlexLock Enduro**: From R 8,799.00 ZAR
- Boots 4.5 HydraDri**: From R 7,499.00 ZAR

The Windows taskbar at the bottom shows the search bar with the text "Type here to search" and various application icons. The system clock indicates the time is 16:37 on 2026/07/17.

Evidence type: user-provided live screenshot. Azure private details redacted where applicable.
