

Power BI And ML Delivery Proof

Power BI semantic model created in the Apollis workspace; ML return-risk model trained and captured with report screenshots.

Workspace	Apollis
Dataset	Leatt Fabric BI ML Semantic Model 202607171909
Dataset ID	9ee6f8a0-aec0-48ff-a44c-15985f3bd4bc
ML Model	Return Risk Logistic Regression
AUC	0.589
Accuracy	0.465
